David B. Firestone, Frank C. Reed : Environmental Law for Non-Lawyers before purchasing it in order to gage whether or not it would be worth my time, and all praised Environmental Law for Non-Lawyers:

1 of 2 people found the following review helpful. Good textbookBy ahendrenI got this book for a class I'm taking by the same name. It's been fine for those purposes.

Cover, binding, and rear cover with very little wear. Pages are all crisp with no bends, highlighting, or marks. No stains, water damage, or anything which takes away from the presentation of the book. Very good condition almost new.
