Long-established as a standard work on this subject by students of equity, legal practitioners and the trustee departments of banks, Pettit: Equity and the Law of Trusts provides a clear, concise and comprehensive coverage of the subject. The tenth edition has been fully revised and updated to include new material on resulting and constructive trusts, and proprietary estoppel, in particular cases involving the matrimonial or quasi-matrimonial home; accessory liability; the duty to disclose information to beneficiaries; injunctions to restrain the breach of confidence or privacy; and undue influence.
