Gary Watt : Equity and Trusts Law Directions before purchasing it in order to gage whether or not it would be worth my time, and all praised Equity and Trusts Law Directions:

Did you hear that equity and trusts law is boring and old-fashioned? Equity and Trusts Law Directions is a lively and engaging text that challenges such preconceptions. The text is written in an informal, engaging and lively manner with an emphasis on explaining the key topics covered on equity and trusts courses with clarity. Gary Watt draws on varied sources to demonstrate how equity and trusts law applies to the world around us including news items and extracts from artistic, including literary, works. The substantive content of the text is designed to emphasize the relationship between equity, trusts, property, contract, and restitution to enable you to map out connections between related legal ideas. There is also a focus on modern cases in the commercial sphere to reflect the constantly changing and socially-

significant role of trusts and equity.

from previous edition: "Comprehensive without being too big, and stimulating without being condescending. An excellent book for students." --Peter Lampier, Senior Lecturer, London Metropolitan University "An outstanding book. As an introduction to a non-intuitive subject...it has no equal." --Greg Osborne, Senior Lecturer, University of Portsmouth
About the Author Gary Watt is Professor of Law at the University of Warwick, UK. He is a National Teaching Fellow and a Fellow of the Higher Education Academy. In 2009 he was named national 'Law Teacher of the Year'. He is the founding co-editor of the journal "Law and Humanities "and his previous books include "Trusts and Equity" (2003) and "Equity Stirring: The Story of Justice Beyond Law "(2009).
