Angela Sydenham : Equity and Trusts (Nutshells) before purchasing it in order to gage whether or not it would be worth my time, and all praised Equity and Trusts (Nutshells):

Nutshells are a series of books designed to present the essentials of law in clear, straightforward language. For more than 30 years, generations of students have regarded Nutshells as the ideal means of revising their subjects. Concise, up-to-date account of the law - especially those topics favoured by examiners; Explains basic principles and highlights key cases and statutes; Includes model questions and answers.
