Professor of Law Gary Watt : Equity Trusts Law Directions, 5th Ed. before purchasing it in order to gage whether or not it would be worth my time, and all praised Equity Trusts Law Directions, 5th Ed.:

The Directions series has been written with students in mind. The ideal guide as they approach the subject for the first time, this book will help them: DT Gain a complete understanding of the topic: just the right amount of detail conveyed clearly DT Understand the law in context: with scene-setting introductions and highlighted case extracts, the practical importance of the law becomes clear DT Identify when and how to critically evaluate the law: they'll be introduced to the key areas of debate and given the confidence to question the law DT Deepen and test knowledge: visually engaging learning and self-testing features aid understanding and help students tackle assessments with confidence Elevate their learning: with the ground-work in place you can aspire to take learning to the next level, with

direction provided on how to go further Online Resources Centre An extensive Online Resource Centre provides a wide range of extra resources to further support studies, including: Student resources: DT Three video lectures presented by Gary Watt introduce key areas of debate within the subject DT General guidance on answering essay questions and problem scenarios DT Sample essay questions and problem scenarios, along with answer guidance DT Updates to the law post-publication DT Web links to further primary sources and commentary to aid your understanding DT Flashcard glossary to help test your knowledge of key terms Lecturer resources: DT Test bank, comprising 200 multiple choice questions with answers and feedback

"The book is excellent. It combines a thorough, critical, understanding of the development of the law of trusts with visually engaging materials. The many interactive learning opportunities ensure that this book stands head and shoulders above the rest." --Caron Thatcher, London South Bank University "A straightforward text, that cuts through the legal jargon and enables the fascinating subject matter of equity law to shine." --Alice Blythe, University of Bolton "The complete package - frankly it is difficult to fault this book as a student-friendly guide to the subject. It is an inspiring text." --Michael Draper, Swansea University

About the Author Gary Watt is a Professor of Law at the University of Warwick. He was made Law Teacher of the Year in 2009 and in 2010 he was named a National Teaching Fellow and fellow of the Higher Education Academy. He is the author of other OUP books including Trusts Equity and Cases Materials on Equity Trusts.
