Providing the new law student with an essential introductory resource, Complete Equity and Trusts: Text, Cases, and

Materials combines clear explanatory text and practical learning features with extracts from a wide range of primary materials. Complex topics are explained clearly and succinctly and well-integrated extracts from essential case law illustrate the key legal principles and precedents, and demonstrate their significance. A range of learning features stimulate active engagement with the subject and support your understanding of the law.

from previous edition: "A very good combination of text and extracts from cases and statutes...good summaries with useful questions at the end of each chapter. The key cases section provides a good revision aid." --Professor Mark Pawlowski, University of Greenwich
