(author) Tim Spencer-Lane (author) Tony Maden : Essential Mental Health Law: A Guide to the New Mental Health Act (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Mental Health Law: A Guide to the New Mental Health Act (Paperback) - Common:

Mental Health Act redefines mental disorder and removes the 'treatability' test. These and other changes have caused great controversy, but the legislation is in place there is a need to understand what it means for the individual practitioner when making decisions about the care of individual patients. This guide provided this understanding.
