From American Bar Association : Essential Qualities of the Professional Lawyer before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Qualities of the Professional Lawyer:

0 of 0 people found the following review helpful. A book every attorney should readBy B. GrimesThis is a remarkable resource for lawyers (and soon to be lawyers) of all levels. The breadth of topics and depth of discussion inspire thought about the role of attorneys and important aspects of high level legal practice. I believe it would make a great teaching resources, and perhaps even more useful as a mentorship resource.1 of 1 people found the following review helpful. A Must Read for Lawyers, Law Students, and JudgesBy J. CamsonA must-read for new lawyers. I am a

criminal defense attorney and deal with other lawyers and judges every day. More lawyers and law students need to read this book. It touches on many topics that are relevant to lawyers, law students, and judges. For example: civility, mentorships, mindfulness, staying organized, and the future of the profession. 1 of 1 people found the following review helpful. Topics that determine the quality of lawyers' service

By Jayne Reardon
This book provides invaluable advice for handling sticky situations that confront lawyers on a daily basis. How lawyers address such topics as civility, personal values and time/stress management determines the quality of their professional lives and of their client service. This is a must-have resource for law students, lawyers, professors and CLE instructors. An easy read that you should check out!

More than ever, new and aspiring lawyers must both internalize those professional values and qualities that build resilience in an era of seismic professional change, and be exposed early and broadly to the lawyer skill sets and habits that engender professional success. This essential resource addresses a widely observed gap in legal education and professionalism materials on professional development in a practice-focused context. Paul A. Haskins, Editor. ABA Standing Committee on Professionalism.

About the Author
Paul A. Haskins is Senior Counsel in the American Bar Association Center for Professional Responsibility and Lead Counsel for the Standing Committee on Professionalism. Before joining the ABA, Mr. Haskins was a civil litigator in Chicago and, previously, a newspaper reporter and columnist in Washington, D.C. and North Carolina. He is a graduate of the University of Michigan in Ann Arbor and Northwestern University School of Law in Chicago.
