This is THE CJ research book for the 90's and beyond.By SURFCAT222@aol.comThis is the best research text in the field. It really clarified many of the difficult concepts that I read in other research texts. This is a research book for the 90's and beyond

This practical book strives to develop its readers into informed consumers of criminal justice-based research. It covers the essentials found in leading criminal justice and criminology research texts, but avoids their lengthy explanations and technical jargon. In their place, Lasley presents clear, to-the-point descriptions and illustrations of the techniques needed to determine the strengths and weaknesses of criminal justice and criminology research.
