Essential of Practical Real Estate LawBy gkdollsThis textbook was in good used condition, I decided to keep but could have turned in back in for resale.. thanks

This Essentials edition of Practical Real Estate Law employs the same user-friendly approach in introducing important real property law concepts. This concise, yet thorough version focuses just on the most critical areas of real estate law.

Students will be given the same exposure to case summaries that allow them to practice their analytical skills and see how concepts are applied in practice. The text also includes case problems that reinforce the content and real-life examples that make the material accessible. The numerous forms and checklists also facilitate understanding of each concept and ensure the student is well prepared to work as a professional in this practice area.
