Glenn M. Wong : Essentials of Sports Law, 4th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Sports Law, 4th Edition:

1 of 1 people found the following review helpful. Comprehensive but short and sweet.By Matt S.A very comprehensive law book. It is very explanatory without going too in depth into the cases themselves. I would recommend it to anyone interested in sports law or sports management.1 of 1 people found the following review helpful. Excellent Sports Law TextBy Pr. JanThis text is a very comprehensive approach to sports law. However, because of the depth and writing style of the author, this text is more suitable for graduate level or law school

courses.0 of 0 people found the following review helpful. Five StarsBy Customergood

In this thoroughly revised Fourth Edition, Glenn Wong provides a comprehensive review of the various sports law issues facing professional, intercollegiate, Olympic, high school, youth, and adult recreational sports. Major topics include tort liability, contracts/waivers, antitrust law, labor law, constitutional law, gender discrimination, drug testing, intellectual property law, broadcasting laws pertaining to sports agents, business and employment law, Internet gambling, and athletes with disabilities. Significant additions here include new court decisions, agreements (contracts and collective bargaining agreements), and legislation (federal, state, association, and institutional rules and regulations). Discussions of legal concepts are supplemented with summaries and excerpts from hundreds of actual sports cases. Wong cites a variety of books, law review articles, newspaper articles, and Web links for those requiring further information on particular topics. This text-professional guide serves as an invaluable resource to those involved, or studying to become involved, in the vast industry of sports.

About the AuthorGlenn M. Wong is an attorney and a professor in the Sport Management Program in the Isenberg School of Management at the University of Massachusetts, Amherst. Wong specializes in sport law and is a member of the Board of Directors of the Sports Lawyers Association - the largest and most prestigious sports law organization in the world. He is the author of over 100 articles, several book chapters, and several books. His first non-sports law book, Sport Management Careers is scheduled for publication in 2007.
