William P. Statsky : Essentials of Torts before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Torts:

0 of 0 people found the following review helpful. Great book!By Mark E BraunQuick delivery! Great book!

Essentials of Torts, 2nd Edition provides students with a comprehensive overview of the law of torts. With an emphasis on the basics as well as the current "hot topics" in the field, this text is a condensed version of Statsky's "Personal Injury Litigation, 4th Edition" and is ideal for instructors in need of a shorter text. "Essentials of Torts, 2nd Edition" focuses on paralegal roles in tort litigation. It offers greater attention to constitutional law, particularly in the areas of civil rights, defamation, invasion of privacy and intentional infliction of emotional distress. The text includes a checklist of definitions, defenses, relationships, paralegal roles and research references for each major tort discussed.

About the Author William Statsky is a member of both the ethics committee and the advisory council for the National Federation of Paralegal Associations, as well as an instructor of online courses at Thomas Edison State College in Trenton, New Jersey. He is the author of numerous groundbreaking legal textbooks for paralegals and was a member of the transition team for then President-Elect Ronald Reagan. Mr. Statsky holds a master of law degree (LL.M) in urban affairs, as well as a juris doctorate degree (J.D.).
