**Susan Flax Posner : Estate and Gift Tax Handbook, 2003 Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Estate and Gift Tax Handbook, 2003 Edition:

A practical exploration of federal estate and gift taxation, the Estate Gift Tax Handbook provides timely and effective advice on estate and gift tax practice and procedure, and is a useful resource for estate-planning practitioners, fiduciaries, attorneys, and others dealing with the complexities of the estate and gift tax system. Now, in one place, you can find all the information and tools necessary to arrange a person's affairs, both before and after death, to minimize the estate and gift tax burden and maximize wealth transfers through lifetime and testamentary giving. Written in concise, easy-to-understand language to demystify this complicated area of the law, the book is a valuable resource for readers approaching the subject from varied backgrounds and disciplines. The 2016 edition of the Estate Gift Tax Handbook updates the volume to reflect all legislative, judicial and administrative changes to the wealth transfer tax laws that occurred in the past year. These changes are important for the estate planner when advising clients on strategies designed to minimize wealth transfer tax and when preparing documents such as wills, trusts, and federal income, estate and gift tax returns. Included in the 2016 Estate Gift Tax Handbook are important IRS revenue rulings, forms and publications, private letter rulings and IRS treasury regulations and significant developments from the federal courts including the U.S. Tax Court and the U.S. Courts of Appeal around the country.

About the Author  
Posner received her LL.M. in taxation from The George Washington University National Law Center in 1983. She has practiced law in Washington, DC, and in Baltimore, Maryland.
