Susan G. Parker Esq., Maria B. Whelan Esq. : Estate Planning: A Road Map For Beginners (Real Life Legal) before purchasing it in order to gage whether or not it would be worth my time, and all praised Estate Planning: A Road Map For Beginners (Real Life Legal):

1 of 1 people found the following review helpful. Easy and informative readBy DeI found this book very helpful and informative. As a legal assistant for an estate planning and tax law practice, this book was a quick review of what I know. It's great because it was plain and refreshing---no overload of legal stuff--which is a very much welcome pace

for someone who has to review a lot of estate planning documents, daily. 1 of 1 people found the following review helpful. A short primer that is a useful read for every adult. By William J. Gartner. This was an easy-to-understand description of a complex topic. It addressed many of the important issues to be considered in estate planning, and appropriately suggested areas where an attorney should be involved to help make sure things are properly handled. A short primer that is a useful read for every adult. 1 of 1 people found the following review helpful. This book answered the questions I've been looking for regarding Estate Planning and is easy for me to understand. By ImI downloaded this book to my kindle and I read it one sitting, I couldn't put it down it is very informative and practical. This book answered the questions I've been looking for regarding Estate Planning and is easy for me to understand.

You don't have to be rich to need estate planning. If you have property and loved ones and want to provide for the future, you need estate planning. This book makes the minimum requirements you need for an estate plan easy to understand. Whether you have questions about a durable power of attorney, a health care proxy or the difference between a living trust and a will, this guide will break it all down for you. This Real Life Legal book has been written by attorneys with extensive experience in estate planning. They make it easy to understand why you may want to set up a trust to avoid probate, protect assets, provide for a special needs child or even care for a pet. With the right preparation, you can appoint someone NOW to make health or financial decisions for you down the road when you may not be able to make them. If you have young children, a special needs child or a large taxable estate, don't put planning off! It's never too early to start estate planning, but it can become too late. We cover that all here. And make it easy to understand. Real Life Legal wants you to be prepared.
