**BOST JOHN : Estate Planning AND Taxation w/ CD ROM** before purchasing it in order to gage whether or not it would be worth my time, and all praised Estate Planning AND Taxation w/ CD ROM:

0 of 6 people found the following review helpful. A Lot of Information and PagesBy JcdriverThis book covers a lot of information and a lot of pages. I could never finish it so I decided to give up for now. Maybe I have to hire an estate planning lawyer after all, but that could mean a lot of money! I might give it a try reading again later when I have the time!

Intended for accountants, financial planners, insurance agents, investment brokers and estate agents who deal with the USA.
