Enodare : Estate Planning Essentials - 2nd edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Estate Planning Essentials - 2nd edition:

Proper estate planning can protect you, your family your assets! Estate planning is the process of providing for the future management of your affairs during any period of incapacity and the means by which you arrange your affairs so as to maximize the value of your estate passing to your loved ones following your death. To help you understand the estate planning process, Enodare's lawyers have put together a simple and easy to understand book on estate planning. It's called "Estate Planning Essentials". Estate Planning Essentials is a must read for anyone not already having a comprehensive estate plan. Showing you just why you need to have a comprehensive estate plan and how you can prepare your very own estate plan yourself. You will be introduced to some of the ways in which you can plan your

estate and the devices that you can use to do so such as last wills, living wills, living trusts, powers of attorneys, healthcare directives, probate free transfers of assets and so on. You will learn about the probate process, why people are so keen to avoid probate and lots of simple methods you can actually use to do so. You will learn about reducing estate taxes and how best to provide for young beneficiaries and children. We'll also talk to you about beneficiaries, children, disinheritance, incapacity, taxes, and much more. We will get you thinking about your own personal situation and how you would like to have your affairs organized - and by the end of the process, you will have a solid understanding of estate planning and the techniques involved. We will show you how you can:- provide for the management of your property and affairs during incapacity; understand the means by which you can distribute your assets; reduce estate taxes; avoid probate; make property management arrangements for young beneficiaries; and much more. Thanks to Estate Planning Essentials, estate planning has never been more straight forward!
