Stephen M. Rosenberg : Estate Planning: It's Never Too Late to Plan for the Future (Last Minute) before purchasing it in order to gage whether or not it would be worth my time, and all praised Estate Planning: It's Never Too Late to Plan for the Future (Last Minute):

The author of "Every Woman's Guide to Financial Security" presents all one needs to know to make a will. For those who just need to know where to start, "Last Minute Estate Planning" provides an answer.
