2 of 2 people found the following review helpful. It is well written but...By frank@coastalnet.comWhen I finished seven chapters I wanted to ask to refund my money! Hardly a page goes by that the authors don't tell me that I am just too dumb to handle this mess without the help o f a professional estate planner..so go ouot and hire one of our profession. It may cost you an arm and a leg, but it is better than giving it to the IRS!
