Mr. Michael E. Magliari : Estate Planning The Fundamental Concepts Under Missouri Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Estate Planning The Fundamental Concepts Under Missouri Law:

Estate Planning The Fundamental Concepts Under Missouri Law provides a concise overview of the Missouri Laws

that effect trusts and estate planning. This simple book will attempt to comprehensively address the major issues, tools, and techniques currently used to properly manage, transfer, and retain a persons estate for that persons intended purposes.

About the AuthorMr. Michael Magliari graduated Magna Cum Laude from Missouri Baptist College in 1978 and from the Saint Louis University School of Law in 1983. From 1986 to 1996, he was a partner with the law firm of Briegel, Baylard, PC, serving as managing partner from 1992 through 1995. In 1995, Mr. Magliari founded Michael E. Magliari, P.C. Mr. Magliari is the chairman of the Trust Subcommittee of the Missouri Bar Association and a former member of the Ethics Committee of the Bar Association of Metropolitan St. Louis. Mr. Magliari has authored the chapter on trust administration for the Missouri lawyers handbook.
