Lawrence W. Waggoner, Thomas P. Gallanis : Estates in Land and Future Interests in a Nutshell before purchasing it in order to gage whether or not it would be worth my time, and all praised Estates in Land and Future Interests in a Nutshell:

0 of 1 people found the following review helpful. umm, I know this is hard stuff, butBy UNC-Lawyou don't need this book to understand it. stick with your text and make up some hypos to help yourself wrap your mind around each

concept.

In-depth, expert discussion of the rules and principles of estates in land and future interests. Text illustrates concepts with examples to enhance understanding of the subject. On-point coverage will be useful to the estates and future-interests components of real-property issues.
