0 of 0 people found the following review helpful. Book.By CustomerIt covers what it should. I makes clear many concepts using questions and answers. Future interest are not simple by any means so this was a great help.11 of 11 people found the following review helpful. a must for first year propertyBy Scott DeputyThis book got me through property my fist year at law school. The answers for the study problems are wonderful in the fact that they explain exactly what you need to know to understand the reasoning behind the legal pricipal. This book was reccomended to

my class by my professor to help us get through the toughest part of property law, Future interests.
