Haydens Ethical Lawyering: Legal and Professional Responsibilities in the Practice of Law retains the strengths of the first two editions, with a continued focus on the complexities of the law and ethics rules governing lawyers as reflected in the modern caselaw, the most recent ABA Model Rules and state variations and ABA and state ethics opinions. An ideal length for a two- or three-credit course in professional responsibility, this casebook provides comprehensive yet streamlined coverage of a subject as challenging as any in the law school curriculum.
