**Patricia E. Salkin : Ethical Standards in the Public Sector** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ethical Standards in the Public Sector:

This book provides practical insights to help lawyers and their public sector clients choose the most ethical course of conduct. The compilation of essays, articles and research provides a clear and concise overview of many of the complexities of public sector ethics, including post-employment restrictions on government employees, whistle-blowing, pro bono work, regulation of honoraria, royalties and travel reimbursements, financial disclosure filing

requirements, gift giving, conflicts of interest, and issues in enforcement of local ethics law.
