**Michael Ross : Ethics Integrity in Law Business: Avoiding "Club Fed"** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ethics Integrity in Law Business: Avoiding "Club Fed":

Ethics Integrity in Law Business: Avoiding "Club Fed" offers a new and refreshing approach to the Professional Responsibility course. This book is designed to be focused, practical, interesting and fun! It is focused: On law firm practice (which is where most graduates start their careers) On business clients' issues (which is what most law firm lawyers do) On only relevant rules It includes practical: Recurring, real-world situations Decision-making based upon available information (not a complete case record) Decision-making under pressure from senior partners and clients Steps and arguments to encourage ethical conduct Consequences of saying and doing nothing Some of the interesting

materials offered are: High-profile cases reported on in the media Challenging conflicts of interest And, this fun new book: Provides quotations from philosophers, authors, scientists, judges, economists and humorists; and Includes comics from "The Wall Street Journal," P. C. Vey, and others.
