This volume contains detailed information concerning the law on parental responsibilities in twenty-two European jurisdictions. The expert members of the CEFL have drafted national reports on the basis of a detailed questionnaire. These national reports, together with the relevant legal provisions, are available on CEFL's web site (www.law.uu.nl/priv/cefl). This book integrates all the given answers in order to provide an overview and a straightforward simultaneous comparison of the different solutions chosen within the national systems. On the basis of this reliable and comprehensive comparative material the CEFL will be able to draft Principles of European Family Law regarding Parental Responsibilities.
