**From Maklu Publishers : European Union Health Law: Treaties and Legislation** before purchasing it in order to gage whether or not it would be worth my time, and all praised European Union Health Law: Treaties and Legislation:

This volume contains EU-related health legislation relevant to legal training programs on EU law and healthcare. Despite the availability of numerous handbooks, a collection of EU legislation on health has been missing. The book includes relevant treaty law provisions and secondary legislation (abridged) on health or health-related norms, clustered as: EU treaty law \* human rights and health \* public health \* patient safety \* consumer protection \* patient

mobility \* mobility of health professionals \* pharmaceuticals \* medical devices \* data protection \* insurance \* competition law.
