**Joelyn D. Marlowe : Evidence for Paralegals (Aspen College)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Evidence for Paralegals (Aspen College):

3 of 3 people found the following review helpful. Required for a class - but way too expensive for ...By TeaLoverRequired for a class - but way too expensive for a small textbook. Not the seller's fault, an overall observation.0 of 0 people found the following review helpful. Best law book for paralegals I have ever readBy LStoryI'm at the end of my paralegal program, and believe me I have read a LOT of law books. This is probably the best book so far. The subject is complex, but the author does a good job of explaining evidence rules by using real cases and even a bit of humor.0 of 0 people found the following review helpful. Four StarsBy spcalleVery good book

but the FRE sorta go back and forth and it can get confusing.

Clearly written textbook that helps students understand how evidentiary principles are applied in real-life situations. Text focuses on the practical applications of the Federal rules of Evidence and how the rules relate to paralegal practice. Features: Covers a full range of topics, including gathering evidence, interviewing witnesses, and researching. Written from a real-life perspective, showing how actual practice works in local, state, and federal court. Pedagogy in text developed for paralegal students, and includes short case summaries, readable examples, marginal definitions of terms, marginal cross-references to the Rules of Evidence, review questions, and hypotheticals. Short, concise presentation is ideal for paralegal courses. Updated with changes to the Federal Rules of Evidence. Updated with new cases. New hypotheticals and discussion questions added.
