Joelyn D. Marlowe, Suzanne Cummins : Evidence for Paralegals, Second Edition with Other before purchasing it in order to gage whether or not it would be worth my time, and all praised Evidence for Paralegals, Second Edition with Other:

0 of 0 people found the following review helpful. Five Stars By Bryaan Mendoza Great book! 1 of 1 people found the following review helpful. Good reading, good examples By Lou For a text, this is fairly interesting. It gives good examples and cases. It does seem to have a few places where it is either inaccurate or just not written clearly, but overall, this is one of the better texts I have had to purchase. It is also sprinkled with humor, which is great. Definitely a keeper. 0 of 0 people found the following review helpful. Good but not Excellent! By O. Bolanos I like the organize information provided in the book, but I found some misspelled words. The misspelling caused some confusion as to what the author was try to say, but eventually I began to get caught up to it and figured out. The term and the definition placed on the side of the page next to the related subject, was very helpful to understand the content of the material in the chapters. I also founded very helpful to have the full written Federal Rules of Evidence on the last pages of the book.

In its new Fourth Edition, bEvidence for Paralegals/b continues to help students understand how evidentiary principals are applied in practical situations. Written from a real-life perspective allowing students to see beyond the walls of the classroom, the authors apply the material to actual practice at all judicial levels. p br /bThis text owes its popularity to

the following features:

- focuses on the practical applications of the Federal Rules of Evidence and how the rules relate to paralegal practice
- covers a full range of topics, including gathering evidence, interviewing witnesses, and researching
- written from a real-life perspective, showing how actual practice works in local, state, and federal court
- pedagogy in text developed for paralegal students, and includes short case summaries, readable examples, marginal definitions of terms, marginal cross-references to the Rules of Evidence, review questions, and hypotheticals
- short, concise presentation is ideal for paralegal courses

Changes to the Fourth Edition include:

- updated with changes to the Federal Rules of Evidence
- new case studies added for student analysis
- new hypotheticals and discussion questions have been added

This short, concise text focuses on the relationship between the Federal Rules of Evidence and the paralegal practice. The subject matter is clearly written and draws on true-to-life scenarios to illustrate its lessons. This combination of characteristics makes *Evidence for Paralegals* a successful and accessible text for paralegal students.
