This book deals with the major hurdles that all students must face: examinations. To overcome this barrier, it is important that the exam process is fully understood by students and that the techniques used by successful examinees are thoroughly mastered. Written in a clear, accessible style, Exam Skills for Law Students demonstrates how good students can do themselves justice in examinations by using the knowledge that they have acquired to full effect.

"McVea and Cumper recognise that exam technique is a subtle skill and they do not say their way is the only or best way." Alison Bone, *The Law Teacher*, Volume 41, Number 1` from previous edition A very useful preparatory work"*The Legal Executive Journal Student Supplement*. About the Author Harry McVea studied law at Queen's University, Belfast, and law and economics at Heriot-Watt University, Edinburgh. He was appointed Lecturer at the University in Bristol in 1989, and became Senior Lecturer in 2004. Harry teaches company law, contract, corporate securities regulation, and crime. Peter Cumper has taught in the Law Department at the University of Leicester since 1997. He has also lectured at the University of Hull (1987-89), William Mitchell College of Law, Minnesota, USA (1994), and at Nottingham Trent University (1989-1997).
