**Robert E. Oliphant : Examples Explanations: Family Law, 3rd Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Examples Explanations: Family Law, 3rd Edition:

0 of 0 people found the following review helpful. General concepts of FL, guess I should have expected ...By MPGeneral concepts of FL, guess I should have expected that. Didn't help much for my Texas based family law course, which required knowledge of heavy procedure.0 of 0 people found the following review helpful. So much useful information insideBy Dan the manYou will not be disappointed. This is a great book and its content is extremely valuable. This is a good purchase even if you aren't taking a family law class. I was surprised at the tremendous amount of detailed information found inside. Thanks !!!1 of 1 people found the following review helpful.

well organizedBy Kelly ScottThis was a book that was well organized and made things easy to find within the book. It allowed me to find out numerous things for class.

Employing the trusted Examples Explanations format, *Examples Explanations: Family Law, Third Edition*, offers a cutting-edge study aid that will be an asset to any family law class. Fully updated, the new edition continues to identify and explore new trends in family law practice. Among the strengths of this comprehensive study aid: The clear organization and in-depth treatment of discrete topics make it easy for students to understand the nuances of family law. It includes central topics such as alternative dispute resolution, domestic violence, alternative reproduction, premarital agreements, and professional responsibility. Forward looking authors who routinely interview practitioners to discern new trends in family law and family law practice. New to the Third Edition: The alternative dispute resolution coverage has been expanded to include collaborative law and parenting coordination as well as mediation and arbitration. The implications for same-sex relationships are discussed in relevant sections throughout the book. The coverage of marriage has been substantially updated. The treatment of parentage issues has been expanded.
