prosecutor.

If you have ever enjoyed a Cops video on television, or enjoy Southern Style Justice, you will love this fascinating look into the true life stories of a prosecutor. And please, have your teenagers read it. Maybe it will keep just one of them on the path away from a life of crime. As for the criminals, if it alerts you to what not to do, well, hey, maybe you just might get it right next time . . . and make law enforcement careers a little more of a challenge. All of these are documented stores from actual cases from Rita's files.

About the Author Rita Lewis is a prosecuting attorney for the State of Georgia. The truth that she deals with everyday is not a laughing matter, but when these events are seen for what they are - stupid, senseless acts - it all becomes oddly humorous. If young people could only see just how senseless criminals are, maybe they would think twice about ruining their lives.
