0 of 0 people found the following review helpful. Excellent information, easy to read, detailed explanations and instructions, useful examples. By Anne Hammil This book is a detailed and thoughtful compendium of information important to every woman even those who are contemplating marriage. It describes the essential elements of financial literacy important to both ongoing marriage and divorce. "How to" advice to creating a financial plan, understanding and keeping track of a budget and investments and other assets is well laid out and easy to follow. Kathleen Miller has provided an easy to read but comprehensive approach to the financial transactions that are apart of the process of a partnership and which are necessary to keep aware of throughout a life time. The best book on the subject which I have read. I liked its depth and breadth and its accessibility of the information so necessary to creating financial security for women of any age. 0 of 0 people found the following review helpful.
