**N Duffield, J Theobald : Family Law and Practice 2001/02: 9th edition (Legal Practice Course.)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Law and Practice 2001/02: 9th edition (Legal Practice Course.):

Family Law and Practice provides a comprehensive introduction to the matrimonial law problems encountered in every solicitor's office. Ranging from divorce procedure and ancillary relief to children's cases and child support, this title is essential reading for every aspiring family lawyer. This new edition has been updated to explain the new law on domestic violence introduced by Part IV of the Family Law Act 1996.
