**Judith Areen, Marc Spindelman, Philomila Tsoukala : Family Law: Cases and Materials, 6th Edition (University Casebook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Law: Cases and Materials, 6th Edition (University Casebook):

0 of 0 people found the following review helpful. Good Choice for Family Law ClassBy Law Clerk BuyerThis book is a perfect choice for teaching a family law course in any law school. It is very easy to read and to learn from. The authors chose great cases for this book. Would recommend to any professor looking for a casebook to teach their family law class with. I only leave 4 and 5 star reviews for products that I would purchase again and recommend to friends and family.0 of 0 people found the following review helpful. perfect qualityBy sydney b.perfect quality0 of 0

people found the following review helpful. No issues. Product came as expected. By brittany No issues. product came as expected. Standard law textbook. little writing in it, not that I would have cared.

This sixth edition continues the long tradition of innovation for which this casebook is widely known and prized. Preserving the best of earlier editions, it delivers an up-to-date overview of U.S. family law that weaves together black-letter rules, policy, narrative, history, transnational sources, and theory into an accessible and teachable whole. The book is written to help teachers prepare their students to appreciate and engage family laws incredibly dynamic present, and to begin imagining how to actively shape its important, vibrant future.

About the Author Paul Regis Dean Professor of Law at Georgetown University, and Founding Author of Cases and Materials on Family Law
