**Robert E. Oliphant, Nancy Ver Steegh : Family Law Examples Explanations** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Family Law Examples Explanations:

1 of 4 people found the following review helpful. Lost and found By seda I borrowed this book from UCLA Law Library and I lost it. I went to Library they offered me to pay 100 dollars fine for it or to buy a new one. I checked from . and I was much more cheap to buy it form rather than paying 100 dollars. so I got it. It delivered on time. Now it is one of the books of UCLA Law Lib. Book was also helpfull for my research.

A clear and comprehensive organization makes **Examples Explanations: Family Law** the perfect ancillary source for any family law course. This cutting-edge and topically significant supplement is now fully updated in its Second Edition. Utilizing the trusted *Examples Explanations* methodology, this text challenges students to assimilate a vast array of material in a problem-based, forward thinking manner.

This edition retains the great features that made it a dependable source for students in its First Edition:

- offers clear organization and comprehensive coverage of material
- includes topics such as alternative dispute resolution, domestic violence, and professional responsibility
- breaks family law into distinct, digestible topics, unlike other books of its nature
- distinguishes maintenance from property division and custody from modification of custody
- challenges students with cutting edge issues, as authors integrate firsthand accounts of material with progressive practitioners to discern new trends in family law and family law practice

The Second Edition also includes an abundance of updated timely information, including:

- discussion of innovative new procedures and professional roles, including:
  - parenting coordinators
  - neutral experts
  - collaborative law practice
- additional emphasis on same-sex marriage, cohabitation, child support, paternity, and alternative dispute resolution
- almost entirely new examples and explanations, most of which are based on actual reported cases
- additional focus on abortion and other constitutional issues
