Family Law for Paralegals provides the student with a practical guide to family law, including material that allows the student to understand the paralegals role in the family law firm. The book is written in a manner that is readily accessible to the student and uses a variety of hands-on assignments that provide the student the opportunity to apply the knowledge gained in each chapter to real world situations. The text is divided into two parts: Part I emphasizes the legal concepts associated with Family Law; Part II introduces the student to the legal procedures associated with
