Mary E. Wilson : Family Law for the Paralegal before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Law for the Paralegal:

0 of 0 people found the following review helpful. Good book purchaseBy Judge Judy-2Great book. Would buy from this seller again. Book is very educational and informative in every aspect of family law.0 of 0 people found the following review helpful. book reviewBy ABoyleI was very pleased with this product. I received it very quicklyand the book was in great shape.Thanks again!

This contemporary book reflects the emerging trends in American family patterns. With a focus on workplace preparation, its written so that readers understand not only substantive family law, but also the role a paralegal plays in a family law practice. Each chapter includes a wealth of cases, exhibits, and practical applications as well as end-of-

chapter assignments that are hands-on and practice-based, with special attention to ethical considerations. Well researched and documented throughout, the book incorporates current issues in marriage and the family, addresses how emerging technology impacts the practice of law, and includes more multi-state references than many competing books.
