D. Marianne Blair, Merle H. Weiner, Barbara Stark, Solangel Maldonado : Family Law in the World Community: Cases, Materials, and Problems in Comparative and International Family Law (Carolina Academic Pres Law Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Law in the World Community: Cases, Materials, and Problems in Comparative and

International Family Law (Carolina Academic Press Law Casebook Series):

0 of 3 people found the following review helpful. Overall Great Experience
By K. Parrish
Product arrived in great condition, when it was supposed to arrive and I have had no problems. The seller did a great job performing adequately.

The second edition of this casebook has been updated and trimmed, although it retains a wide range of topics and materials. It covers a variety of private international law issues, including child abduction, child custody, adoption, child support enforcement, and recognition of marriages and divorces. The book also explores the impact of public international law on both domestic and international regulation of the family, using topics such as family violence and the rights of the child. Finally, the book uses comparative law materials to examine traditional family law topics, such as the regulation of marriage, the rights of same-sex couples, adoption, reproductive freedom, and more.
