Law, and to helping students think holistically about how the various family law rules fit together, and how family law reflects broader (and changing) societal values. It is not a substitute for learning the rules, but it is a great source for understanding and reflecting on them. I hope they do an update soon.

Part of a new series that offers a big-picture perspective on Family Law, this brief overview illuminates essential concepts with informal, approachable exposition. **Family Law: The Essentials** complements any casebook for this subject as it bridges common themes and fills in the gaps in students understanding of basic concepts. /p p
Appropriate for use alongside any Family Law casebook, or supporting seminars on children, gender, or sexuality, **Family Law: The Essentials** features:

- an informal writing style that is engaging and concise
- clear explanations of social and theoretical forces at play for each topic
- modular chapter organization that may be referenced or taught in any order
- cross-referencing that draws connections among shared themes from different chapters

This succinct new text offers concise, focused coverage of legal concepts and the social and theoretical forces that impact every area of Family Law. **Family Law: The Essentials** prepares your students to get the most out of their casebook reading assignments. /p p /p p *A Teachers Manual may be available for this book.
