Fathers Have Rights Too Cory Jacobs hasn't seen his son Cory Jr. since birth. Now after 4 years, he's back and ready to be a father. The emotions and bond between Cory and his son, seems to have never been broken. Cory was refused

visitations with Cory Jr. because of the mother Paula Jacobs's jealous rage over his remarriage. What began as a loving reunion between father and son. Becomes an intense, bitter custody battle with the mother and the legal system. Paula secretly wants reconciliation with Cory. When Paula learns he's still married, she conducts an escalating campaign to revoke Cory's custodial rights at any cost. The book illustrates custody events behind the scenes of divorce.
