From Nova Science Pub Inc : Federal Programs for Troubled Youth (Children's Issues, Laws and Programs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Programs for Troubled Youth (Children's Issues, Laws and Programs):

This volume looks at the problem of children who are reported missing, abducted, or exploited daily. The book examines programmes and discusses the current actions of policy-makers who are attempting to alleviate this serious problem.
