Kevin Yamamoto : Federal Transfer Taxes Code and Regulations, 2010 before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Transfer Taxes Code and Regulations, 2010:

This supplement is an invaluable single source for the code and regulations applying to federal transfer taxes, such as gift taxes and the generation-skipping transfer tax. It is a quick and easy, yet comprehensive, reference to the primary law, conveniently sized for carrying in a briefcase. The 2010 Edition includes the latest Code and Regulation changes up through June 15, 2010.
