**Kevin M. Yamamoto : Federal Transfer Taxes Code and Regulations, 2012, with Klein Map** before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Transfer Taxes Code and Regulations, 2012, with Klein Map:

This supplement is an invaluable single source for the code and regulations applying to federal transfer taxes, such as gift taxes and the generation-skipping transfer tax. It is a quick and easy, yet comprehensive, reference to the primary

law, conveniently sized for carrying in a briefcase. The 2012 edition includes the latest code and regulation changes up through May 1, 2012.
