**Margaret Richards, Colin Russell : Finance and Law for the Older Client** before purchasing it in order to gage whether or not it would be worth my time, and all praised Finance and Law for the Older Client:

Published in association with STEP (Society of Trust and Estate Practitioners), this looseleaf is designed to help financial advisers, lawyers and accountants advise their elderly clients on a range of financial and legal topics. It contains easy to access information that is both detailed and practical. Includes strong emphasis on financial matters, such as pensions, gifts and taxation. Four issues per year, invoiced separately.
