bookstore. You can't go wrong with textbooks!0 of 0 people found the following review helpful. Helpful!!!By Arthur S. MossThis comes in very handy. It assists me with my criminal justice studies in understanding legal research.0 of 0 people found the following review helpful. VERY GOOD BOOK!!!!By D. JOHNSONThis is a very good book in my opinion. It is filled with valuable information and I highly recommend it to all the novices out there that are interested in legal research or interested in the legal system.

This new book is an excellent resource for the paralegal or legal assistant. It approaches legal research, analysis and communication, simply and enjoyably. Exercises based on realistic case materials guide readers in their own legal research, verification, analysis and advocacy. The book includes a glossary, index and legal citation rules summary. Sample legal documents and additional exercises (with answers) are found on the enclosed disk and are perfect for self-review.
