**Clemencia Rodriguez : Fissures in the Mediascape: An International Study of Citizens' Media (Hampton Press Communication Series (Communication Alternatives Subseries).)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fissures in the Mediascape: An International Study of Citizens' Media

(Hampton Press Communication Series (Communication Alternatives Subseries).):

Investigating four cases in which ordinary people gained control over an electronic medium, this volume illustrates aspects of how these alternative and participatory media - or citizen's media - set in motion complex and different communication and cultural dynamics.
