(author) Victoria Cecil Walker Esq : Five Principles for the Positive Practice of Law: The Essential Guide to Success as a New Lawyer (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Five Principles for the Positive Practice of Law: The Essential Guide to Success as a New Lawyer (Paperback) - Common:

A unique one-of-a-kind advice book for law students and new lawyers that provides a basic philosophy for practicing law. By focusing on five important qualities every lawyer should have (history, competency, humility, integrity, credibility), this concisely written pocket guide provides the fundamental tools for entering the practice of law with the right perspective in a format that is light and ...
