LLC Celebration Bar Review : Florida Multiple Choice Questions Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Florida Multiple Choice Questions Book:

15 of 16 people found the following review helpful. Bad,,VERY BADBy RighteousPumpThis book is awful. I bought it because Kaplan is a bit slack on their Florida MC questions. I did a little research and apparently this Celebration Bar Review is an expensive Bar Review course in Florida. So I figured it must be good. I was completely wrong. The grammar and spelling in this book were both HORRENDOUS (without exaggeration 1 out of every 5 questions had a word spelled incorrectly; had a run on sentence; or something horribly wrong with the sentence structure). The book contained Multiple Choice questions in subjects such as Con Law which AREN'T EVEN TESTED in Florida. They included Multiple Choice questions with the wrong answers (e.g. in Florida judicially noticed facts are never mandatory yet they have for one of their answers that it is mandatory). The book isn't formatted well, it looks like some undergrad kids got together and decided to come up with some MC questions and charge people for it. More formatting ugliness: Questions run onto the next page, there is no continuity in design, the font is ugly and weird, the

product quality is just overall very cheap feeling, etc. Really, it looks AWFUL. My work product was better in casual outlines that I myself created for law school (no less a professional work product). The questions were really bizarre and didn't hit the main areas of any of the subjects. Some of the answers looked like the test makers gave up and didn't feel like coming up with difficult options to choose from. Really, this book was a complete and total let down and a waste of money. I hope this book is not any indication of how this bar program actually is run because ugh....My suggestion to the people who run Celebration Bar Review: Clean this product up. The book is amateur in every sense of the word. 2 of 2 people found the following review helpful. Disappointing By Wallace M. Rudolph I was disappointed . the Florida Exam did not have 100 questions like the real exam. The questions included constitutional law which is now examined by essay. 1 of 2 people found the following review helpful. Excellent Study Guide By Grotenberg Great multiple choice practice for Florida specific part of the bar Good answer explanations Helped me pass the FL bar on my first try

Past Florida Bar Exam multiple choice questions and answers for all testable subjects in the multiple choice format. These are the same questions used in the Celebration Bar Review course for the Florida Bar Exam. Book includes a Practice "Mini" Exam with answer explanations. 2017 Exam Edition

About the Author Celebration Bar is the leader in personal home study bar review for the exams of California, NY, Florida, Texas, Georgia, UBE and the Multistate Bar Exam since 1995.
