Marion Naifeh : Foreign Service before purchasing it in order to gage whether or not it would be worth my time, and all praised Foreign Service:

Good Job MarionBy Read RightMy wife and I met the Naifehs in Abu Dhabi in 1976 while I worked for the University of Arizona on Sadiyat Island (mentioned by Marion in the book). The Naifehs were a delightful couple. We also met Steve their son who had an art show at the Embassy (I think) while he was home from law school. Marion writes a fast paced book with interesting stories of their time in the US foreign service.
