Easy read, informative.By StudentThis textbook was required for a Legal Research class. The chapters were broken down in a very logical order, the information was presented in a manner which made it very easy to understand. A high school (or even Junior High) student could read this text and get the gist of everything in it.0 of 0 people found the following review helpful. Foundations for Legal Research and WritingBy Shannon SchmittThis book is truly helpful to anyone pursuing a career in the legal field. Highly recommended and very insightful. Very easy to read and understand. (I LOVE IT)

Foundations of Legal Research and Writing, 2nd Edition, provides a detailed explanation of legal research and writing for the paralegal. Containing a focus on legal reasoning and analysis, this second edition text is up-to-date, classroom-tested, and professor and student friendly. The writing portion of the text devotes entire chapters to writing client opinion letters, pleadings, contracts, office memos, memoranda of law, and appellate briefs. "Foundations of Legal Research" provides explanations to enhance student understanding and legal research assignments that allow the instructor to save preparation time. It includes appendices on Search and Seizure, Citation Rules, Rules for Quotations and Short Form Citations, Mechanical Errors, and Problems, as well as an extensive glossary and index.
